Gambling Community Benefit Fund – MasterClass

Improve your organisations competitive advantage and rate of success when applying for the Queensland Government's 'Gambling Community Benefit Fund'.

About this course

This online self-paced course is subsidiary to the Grant Writing Professional Development Program created specifically for the Australian grant seeking environment. It is one of the contributory courses to this program and is designed for the beginner and those wanting to hone their core skills when applying for this grant (in whatever stage of your grant writing career) by providing a clear framework to approach the task of grant writing specifically for the 'Community Benefit Gambling Fund'.

It is intended as a complementary resource to the Queensland Government's instructional videos, aimed at improving your organisation's competitive advantage and rate of success.

Who is this course for?
